

The course is designed for self-paced learning and English is used as the medium of instruction. This means that you (the learner), will determine the pace of the learning. The course requires a minimum of 48 hours commitment as a basic level course. However, it is designed to allow the learner to determine further exploration of topics of interest for additional learning and adaptation to one's business and/or career development strategies.

Course Level: Beginner

Course Format: Self-paced online course

Language: English

Course Developers: Dagmawi Iyasu Eminetu, MSc. Coffee Science and Economics, MSc, Biochemistry.

Sara Yirga Woldegerima, Authorized Specialty Trainer, SCA Post-graduate Certificate, Coffee Excellence, ZHAW
